“ The success of the Jonathan Lee Group, which extends across the engineering, manufacturing and technical sectors, is built upon our ability to provide ‘solutions through understanding’.

Our **permanent** and **contract** recruitment activities are complemented by a suite of services that have evolved from our experience of solving customer problems for more than four decades... ”

MAKEuk
The Manufacturers' Organisation

DON'T TAKE OUR WORD FOR IT...

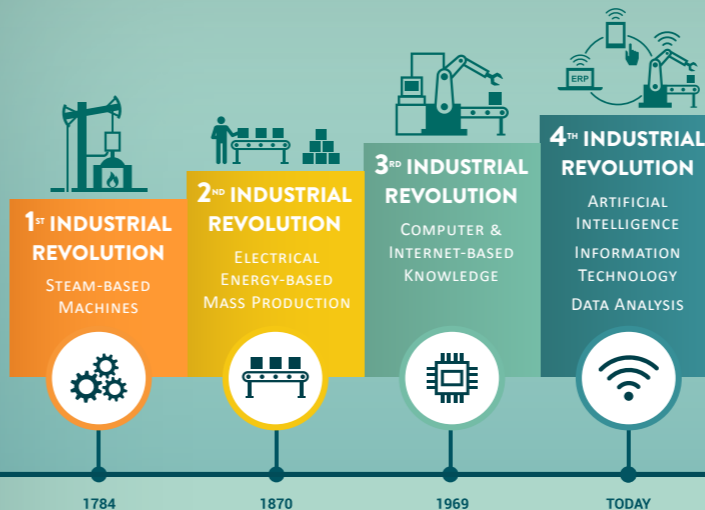

I continue to use Jonathan Lee whenever I need to recruit. I trust Jonathan Lee Recruitment because of its integrity, experience, knowledge of the UK and international marketplace, and ability to adapt with the times.

It also recognises that different clients have different needs and works hard to find the right candidate.

JAGUAR LAND ROVER

MAKEuk
The Manufacturers' Organisation

The unprecedented pace of Industry 4.0 presents a steep learning curve for many UK manufacturers, particularly as the need to invest in automation, big data and other future technologies increases.

Jonathan Lee Contract Recruitment can source the right experts and specialists to help plan, implement and maintain Industry 4.0 strategies, methodologies and technologies.

ADVANCED ENGINEERING & MANUFACTURING FUTURE SKILLS & INDUSTRY 4.0

Jonathan Lee Contract Recruitment has a focus on future skills, supporting our clients in their efforts to become Industry 4.0 ready.

Digital culture and skills are critical to drive successful technological change and we are engaging with businesses of all sizes, particularly SMEs, to help them achieve their Industry 4.0 goals.

#FUTURESKILLS

Always found Jonathan Lee very reactive and pro-active in any assignment we give them, and they know our business environment well.
